

Floline VM20 Pulse Oximeter with Temp

Features:

- High-definition 3.2-inch LCD Touch Screen
- Audible & Visual Alarm
- Screen Brightness Adjustment
- Data Storage
- 12-hour Lith Battery
- Bluetooth connection data transmission APP
- PC connection and data management
- Probe fault detection function
- Nellcor Compatible SPO2 sensor
- Rectal/Esophageal Temp Probe

SPO2

- Range: 0~100%
- Accuracy: $\pm 2\%$ (70%~100%)Undefined (< 69%)
- Resolution: 1%

PR

- Range: 25-350bpm
- Accuracy: $\pm 3\%$
- Resolution: 1bpm

PI

- Range: 0~20%
- Accuracy: Underfined
- Resolution: 0.001%

RR

- Range: 0~70bpm
- Accuracy: ± 2 bpm
- Resolution: 1rpm

Temp

- Range: 0-50°C
- Accuracy: ± 0.1 °C
- Resolution: 0.1°C

Interface

- DB9 Connector for Nellcor compatible SPO2 Sensor.
- USB Port for 5V power charging and data export
- Built-in and Replaceable Lithium battery for up to 12h continuous operation
